A faint, light blue background image of a person's face, possibly a woman, with a grid overlay. The grid is composed of thin, light blue lines that form a pattern of squares and rectangles across the entire image. The person's face is centered and slightly blurred, with their eyes closed or looking down. The overall tone is soft and ethereal.

Subconscious Mind (90%)

*To create real change and have our conscious mind Shift we **MUST** get to the root cause in our subconscious mind that is running the show*

Our greatest ally in creating lasting change is honesty about the way we feel.

**Only when we are honest can we
begin to grow.**

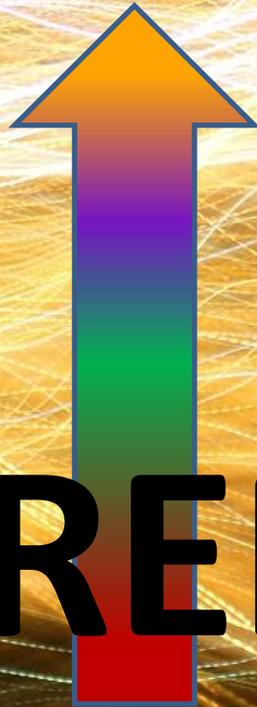

The background features a dense, chaotic pattern of glowing light trails in shades of gold, yellow, and white, set against a dark, almost black background. The trails are thin and elongated, creating a sense of motion and energy. The overall effect is reminiscent of a starburst or a complex network of light paths.

AWARENESS

Response-Ability

Being able to RESPOND rather than REACT

Reactions come from emotional triggers

Responses come from mindful consideration

“We are the sum total of our experiences, which is to say that we are burdened by our pasts.

When we experience stress or fear in our lives, if we would look carefully, we would find that the cause is actually a memory.

It is the emotions which are tied to these memories which affect us now.

The subconscious associates an action or person in the present with something that happened in the past. When this occurs, emotions are activated and stress is produced.”

I am sorry.

Please forgive me.

I love you.

Thank you.

Step 1 – Awareness that you are feeling “below the line”

Step 2 – Acknowledge the feeling / thought within you

**Low Vibration
Below the Line**

***It’s never really about the other person / circumstance, it’s about how you respond to it. Taking 100% response-ability allows you to transform it rather than being a victim to it**

Step 3 – Use Ho’oponopono to clear and shift

A romantic scene of a couple embracing on a beach at sunset. The man is in the foreground, his back to the camera, with his arms around the woman. The woman is slightly behind him, her face turned towards his. They are silhouetted against the bright, golden light of the setting sun. Palm trees are visible in the background, and the ocean waves are gently lapping at the shore. The overall mood is peaceful and intimate.

I'm sorry

Cheri knew she was on the brink of hitting it big and here's what happened for her...

We closed a deal for \$27,000 on the 3rd day!

"This has been amazing. We had a deal that had been stuck in the pipeline for months and on day 3 of your course it POPPED! Then, just a few days later, a woman we submitted a proposal to two years ago contacted ME and signed on as a client (and for much more money than the original proposal too!) Thank you, Nancy, this is exactly what I needed and I feel wonderful" ~ Cheri Martin, WCNInteractive.com

**By the end of the 30 day course, we brought in over
\$60,000!**

“When I got started in September, I just went through a summer of sales the lowest they had been in years. Then in October, after doing the course we had a **record-breaking \$17,000** month in sales!”
